[LinkedIn](#) [Portfolio](#) [GitHub](#)

Front-end software engineer with a passion for responsive, intuitive, and bug-free design and development. Skilled with JavaScript, React.js, CSS, and HTML. Experienced with back-end technologies such as Node.js, MySQL, and MongoDB. Excited to leverage my passion and skill set to help achieve company goals and find success as a front-end software engineer.

## EDUCATION

**Certificate, Full Stack Web Development** – University of Washington **Seattle, WA**  
November 2020 – March 2021

**Bachelor of Arts, Marketing** – University of Washington **Seattle, WA**  
September 2015 – June 2020

- Additionally, graduated with an [English minor](#) and [Interdisciplinary Honors](#)

## TECHNICAL SKILLS

**Languages:** JavaScript ES6+, CSS3, HTML5

**Front-End:** React.js, React Hooks, Bootstrap, Materialize, Material UI

**Back-End:** Node.js, Express.js, MySQL, Sequelize, MongoDB, Restful APIs

**Tools:** jQuery, Local Storage, JSON, NPM, GitHub

**Other skills:** Communication, Marketing, Creative Writing, Teamwork

## PROGRAMMING EXPERIENCE

### [Litzia Storefront](#) | [GitHub \(frontend\)](#)

Worked with a team of four to develop, debug, and deploy an administrative storefront for Litzia, an IT company based in Washington

- Designed and developed all the software using React, JavaScript, HTML, and CSS
- Collaborated with the owner of the company through weekly meetings to create the desired user experience
- Tested our code every step of the way to ensure proper functionality
- **Role:** Front-end developer
- **Tools:** HTML, CSS, JavaScript, React.js, Node.js, MySQL

### [Memory Bank](#) | [GitHub](#)

- Collaborated with three others to create a full-stack journal/photo saving application
- Implemented features such as user login, dark-mode interface, and customized zodiac API
- Architect for an intuitive, mobile responsive UI/UX
- Excelled in a teamwork-heavy environment with cross-functional teams that relied heavily on communication
- **Role:** Front-end developer
- **Tools:** HTML, CSS, JavaScript, Handlebars, jQuery, Node.js, MySQL, Cloudinary API

### [The Shoppies](#) | [GitHub](#)

- Sole author for a dynamic, responsive web application that allows users to search for and save movies
- Built an intuitive user interface that works across devices
- Bug fixed a wide array of edge cases to create a seamless user experience
- Ensured quality through constant tests, GitHub commits, and user feedback
- **Role:** Sole author
- **Tools:** HTML, CSS, JavaScript, OMDb API, Local storage

## OTHER EXPERIENCE

### **Conan O'Brien Script Intern**

**Los Angeles, CA**

September 2019 – December 2019

- Created and implemented a new Script Intern Guide to streamline the daily workload for all future script interns
- Proofread and distributed for final use new scripts each day, which were then used by Conan in the live broadcast
- Collaborated with 10 different departments daily, utilizing effective communication and teamwork skills to be efficient in putting together a complex, fast-paced, live TV show

### **Gensco Corporate Operations Intern**

**Seattle, WA**

June 2019 – August 2019

- Designed a new, all online company-wide operations procedure to be used by management at all 24 branches
- Analyzed and completed new corporate-level projects on a bi-weekly basis, resulting in streamlined communication between team members and the implementation of effective safety procedures for employees
- Displayed drive and initiative when it came to problem solving for projects. Supervisors entrusted me with a lot of autonomy, giving me the opportunity to exceed expectations and produce high-quality work

### **Manager/Waiter at Bayview Restaurant**

**Port Townsend, WA**

April 2012 – September 2018

- Trained and managed over a dozen employees while still in high school
- Learned how to have positive interactions with different personality types by serving between 50-100 customers each shift
- Continually learned new facets of the restaurant industry and integrated that knowledge to be an effective employee and leader
